

DISCOUNTED HEALTH SERVICES

HELP YOUR EMPLOYEES SAVE MONEY AND STAY HEALTHY WITH CORPORATE DISCOUNTS ON A VARIETY OF HEALTH SERVICES.

OVERVIEW

With Incore's MyHealthDiscounts platform, your employees can save money on health assessments at over 2,300 clinics, as well as virtual GP, physio, counselling and nutritionist sessions.

The service, available on advantage, is designed to give employees the opportunity to check in with the state of their health, find early warning signs and allow them to make the best lifestyle choices with peace of mind.

With a variety of packages from wide range of health providers available, your employees can start their journey towards better health.

KEY FEATURES

- Discounts are provided by Incore, a leading fitness and wellness company who serve over 6 million employees
- Employees can save up to 30% on a range of health services
- Over 2,300 clinic locations across the UK
- Discounts available for employees' partners too
- All services are available virtually

HOW IT WORKS

- 1 Log in – employees can access the MyHealthDiscounts website via the advantage platform.
- 2 Search – from there they can view all available services from a simple tile menu.
- 3 Save – when employees choose service, they will get access to corporate discounts on these services.
