

# IMPROVE

## THE COMPLETE MICROLEARNING PLATFORM FOR SMES.

### OVERVIEW

IMPROVE by Peritus is a simple and cost-effective online learning platform designed especially for SMEs. Their team have over 20 years in L&D with SMEs so they know what you need, to make your life easier.

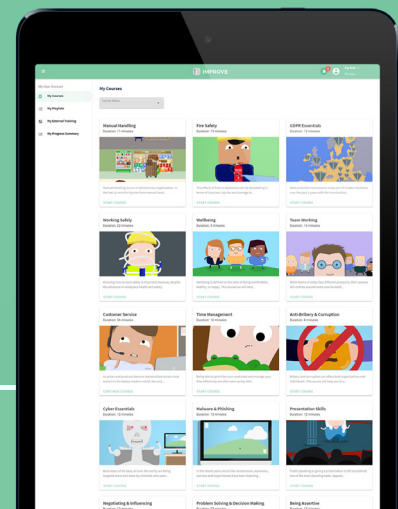

The process to move your training online couldn't be simpler. You will get access to over 50 online courses and your own learning platform including health and safety, compliance, management and leadership, customer service, IT, home working and much more. From adding your own content and courses, to tracking the progress and achievements of users, IMPROVE puts you in control.

### KEY FEATURES

- Over 50 courses to choose from. Start using our comprehensive library of courses immediately, or quickly tailor and edit them to meet your specific needs.
- Easy to set up and simple to use across your whole organisation.
- Simple to use and mobile friendly.
- Add and structure your own courses, training, policies and procedures, such as induction for new starters, job role specific training and much more.
- Try for free with a 14-day user trial – there's no obligation and no credit card details needed.

### HOW IT WORKS

- 1 Employees will receive an email with unique login details and instructions on how to access the platform.
- 2 Once logged in, employees will be able to view the courses that have been assigned to them.
- 3 Reporting on usage and progress can be done as and when required.
