

SHOPPING DISCOUNTS APP

GIVE YOUR EMPLOYEES THE ABILITY TO MAKE VALUABLE SAVINGS ON THEIR EVERYDAY SHOPPING, ANYTIME, ANYWHERE.

OVERVIEW

With the savingspace app, your employees can access thousands of online and in-store shopping discounts for hundreds of top retailers on the go. They can order, activate and top-up reloadable gift cards at the tap of a screen, buy and use digital vouchers on the go and earn cashback on their online shopping wherever they are.

This app is a free feature of our advantage benefits & discounts solution, bringing the great discounts into one, easy to access, convenient space.

KEY FEATURES

- **Industry-leading shopping discounts** and cashback offers for hundreds of top retailers across the UK.
- **Branded to your organisation** from within the app so it reflects your business' discounts scheme.
- **Optimal experience on any mobile device** so your team can quickly and easily find relevant savings.
- **Easy cashback management** allowing users to transfer an amount of their choice to their bank account or a reloadable gift card.
- **Convenient digital wallet** for users to manage their digital vouchers and reloadable gift cards, wherever they are.
- **Seamless access** via an activation code from your scheme's web platform and secure PIN and fingerprint/facial recognition.
- **Full web-app synchronisation** so users can enjoy a convenient shopping experience however they access your discounts scheme.

HOW IT WORKS

- 1 Download the app**
The app is available for free on the App Store and Google Play Store.
- 2 Generate activation code**
Users access your **peoplevalue** discounts scheme via a web browser and visit the app page to generate an activation code.
- 3 Enter code**
Users enter their activation code in the app login screen to sync their account.
