

# PERSONAL TAX REFUNDS

A SIMPLE AND EASY SERVICE TO HELP YOUR EMPLOYEES GET BACK ALL THE MONEY THEY'RE ENTITLED TO.

## OVERVIEW

1 in 3 employed taxpayers have paid too much tax in the last 4 years due to HMRC issuing employers with the wrong tax code. The long and sometimes complicated process of getting this money back can cause employees to suffer from unnecessary financial stress.

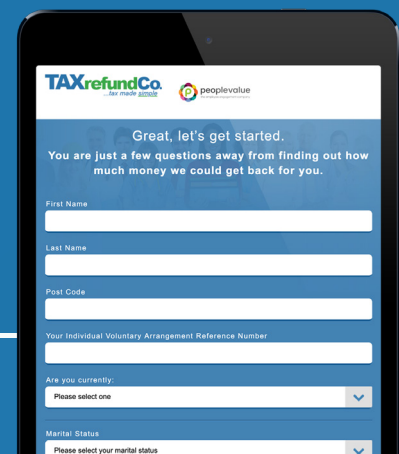

With The Tax Refund Company, you can give your employees support, education and all-important peace of mind. They offer a free, professional and comprehensive tax code review which guarantees that employees will get back all the money they are entitled to and will have the correct tax code going forward.

## KEY FEATURES

- Tax review is completely free of charge for employees. They only pay a fee when they receive a tax refund.
- Handles all correspondence with HMRC so employees don't have to.
- Employees will get back any money incorrectly paid to HMRC over the past 4 - 5 years.
- A tax refund and / or increase in net income can reduce employees stress and improve productivity.
- Gives employees assurance that they have paid and are paying the correct tax.
- No cost to the employer for setting up or offering the benefit.
- Low administration and easy to implement – no extra work for your HR or Payroll department.

## HOW IT WORKS

- 1 Employees can access the tax review calculator via advantage, where they can check if they qualify for a tax review.
- 2 The Tax Refund Company will check the tax the employee has paid in the current year and in each of the previous 4 years is correct.
- 3 If they find that an employee has paid too much tax, they will arrange for HMRC to correct their records and refund the money owed to the employee.
